15 May 1954

1. Enclosed herewith is a copy of the subject communication.

To FOA/MDAC/Washington, and USRO/Paris FOR

2. (a) Paragraphs 1 and 2 []
apparently refer to the so-called "Hennsler"
transaction, subject of DCN Case 140. For infor-
mation on POST see IWG Memorandum, Control No.
2022, giving clearance for []

(b) The development of information on the individ-
uals concerned reveals the possible existence of
an Egyptian IC for 3000 tons of copper, from
Chile, issued at the end of 1952 or early in 1953.
This IC was issued to G. ZOLI (ZOLLY) of Cairo,
whose suppliers were reported to be the firm
"GITEYA Ltd.," of Santiago who was apparently act-
ing only as a "front" for INTERCONTINENTALEN of
Sarnen, Switzerland. This is reportedly the firm
of Hans SPICHTIG, one of the principal intermedi-
aries in the Hennsler case.

In May 1952 Zolly had made a previous attempt to
secure 3000 tons of copper from AGENCIAS KAPEL
of Santiago, a firm which Adolph (Alfred) POST
had put in touch with BELGOVER of Brussels in
October 1951 in an attempt to arrange a Chilean
copper transaction, []

- (c) [redacted] has not yet been identified, even as to country of location. A search of all available [redacted] has revealed only one firm which might remotely be identified with the term, namely, LURASCHI y Cia, textile merchants of Ave. Mexico 868, Santiago. (The U.K. and Switzerland were also checked.)
- (d) The amount of copper referred to in Paragraph 3 is probably 25,000 rather than 250,000 tons. No identification of the transaction is possible without further information.

3. Paragraph 4 apparently concerns different transaction or negotiations. This office has no information on KEMALI. One Halil KAMIL, Buyukdere Cad. 401, Istanbul is listed as a commission agent.

4. Paragraph 5 may concern the same or different negotiations.

- (a) This office has no information on Abdurrahman AHMET. We are advised, however, that both names are usually used as given rather than surnames, and that the surname is probably missing here.
- (b) This office has no information on Waldemaar Swanstram, perhaps a misspelling of SVENDSTROM?

5. It is requested that this Agency be advised of use of the foregoing information by the addressees of this memorandum.
